It is Different!

The Seneca prides itself on doing things differently. In Rochester there is no other rendezvous so smartly modern in its setting, yet so quietly restful in its atmosphere. Nowhere else in Rochester can you find such epicurean delicacies served with such unobtrusive grace and at such popular prices.

PREFACE

THE Seventeenth edition of THE BLUE BOOK is presented with the hope that it will merit the generous reception accorded its predecessors. We desire especially to thank our patrons for their consistent and substantial support of our efforts.

We have striven to make this edition more complete and valuable than the past. The difficulties, particularly in these days, attending the compiling of this book should be appreciated; and while the Publishers will in no way be responsible for any errors that may occur, we trust any inaccuracies or omissions will be brought to our notice, so they may be corrected in the next edition.

THE BLUE BOOK is neither a city directory nor absolutely an elite directory; neither do we pretend to pass upon the social or financial standing of the persons whose names are contained therein. In an area as extensive as this book embraces it is impossible for everybody to know everyone else. But it is possible for people to know many other people of a similar mode of life, such as characterizes the numerous clubs and organizations, both city and suburban, of your locality. For members of these and their friends THE BLUE BOOK is meant to serve as a directory, setting forth such personal information as may be useful and needful, but not available elsewhere.

The title "BLUE BOOK" does not refer to blue blood, as many people suppose. Webster's defines Blue Book as follows: "*Blue Book*—a book containing a list of fashionable addresses." It has been published regularly for over thirty years and should not be confused with any imitative or transitory publication.

Kindly forward any information that will aid in keeping yours or other listings correct to The Blue Books Company, 224th Street, Springfield Gardens, N. Y.

Youth Restored To Precious Gems!

As fresh, gay, irresistible as when it first came into your possession is an old jewel remounted in a modish Scheerton platinum mounting.

The name "Sagamore" is most popular in engagement books. "Luncheon with Dick at the Sagamore Room." "Cocktails with Ann at the Old English Room." "Dinner with the Carrolls in the Sagamore Room and bridge in Parlor A." "Supper Dancing with the gang in the Sagamore Room."

The Sagamore Habit is lots of fun!

72 Years a Rochester Landmark

Webster defines "landmark" as a "conspicuous object which serves as a guide" — a fitting description of this great institution! For almost three-quarters of a century, Rochesterians have looked to "Sibley's corner" not only as a physical location of great familiarity but also as a token of everything that's fine in the art of store-keeping. Keeping always alert to modern changes in merchandise and convenience and hewing, at the same time, to old-fashioned ideals of service, Rochester's largest retail institution bespeaks, appreciates and merits your patronage.
