TO THE MEMBERS
GENESEE VALLEY CLUB

We submit herewith the Genesee Valley Club Record for your interest and use. It has been made in loose-leaf form so that it may be brought up to date frequently. As often as changes justify, new pages will be sent to replace those that become obsolete. They will be properly numbered for easy insertion and will be dated. New indexes will be supplied as required.

Henceforth the annual reports will be printed and punched in such form that they may be added in their proper place in the Record.

The last such book was printed in 1923 and the task of accumulating the data of the intervening years has been great. We ask your tolerance and indulgence for those errors and omissions which inevitably must appear. May we have your co-operation in correcting them? Please send the correct information in writing to the committee. Also, any suggestions to make this Record more interesting or useful will be appreciated.

Respectfully submitted,

EXECUTIVE COMMITTEE

Constitution

ARTICLE I

NAME

THIS Association shall be known as the Genesee Valley Club.

ARTICLE II

OBJECT

Its object shall be to promote social intercourse among its members and provide for them the comforts and convenience of a Club House.

ARTICLE III

MEMBERS

The number of its resident members shall be limited to four hundred and fifty, and no others shall be admitted to its privileges except as permitted by this Constitution.

ARTICLE IV

MANAGEMENT

1. A Board of Governors of fifteen shall control all of its affairs, elect members, take cognizance of all infractions of its Constitution and By-Laws, fill vacancies in its own body, and shall hold in trust all the Club property.
2. The Board of Governors shall consist of three classes of five members each. At each annual meeting of the Club one class shall be elected to replace the outgoing class who shall hold office for three years.
3. This Board shall hold monthly meetings upon call of the President, or in the event of his absence or incapacity for any reason the Vice-President or Secretary or Treasurer, or any three members of the Board. Special meetings may be held at any time subject to the same call.
4. A quorum of the Board of Governors shall consist of eight members, and in the event any member shall be absent

101—1940

from two consecutive regular monthly meetings of the Board, except by reason of sickness or absence from the City, the Board shall have the power to declare that such member shall no longer be a member of the Board of Governors, and in that event the Board may elect a member to fill the vacancy.

5. A committee of five, two at least of which shall not be Governors, shall be appointed by the President and announced at the December meeting of the Board to nominate candidates for Governors of the Club for election at the next annual meeting and to be known as the Nominating Committee. The nominations so made shall be submitted to the members with the notice of annual meeting at least fifteen (15) days before the meeting. At any time within ten (10) days after the mailing of such notice ten or more resident members may nominate five or less additional candidates by posting a notice to that effect on the bulletin board regularly maintained by the Club and sending a copy of said notice to the Secretary whose duty it shall then be forthwith to send a new notice of said annual meeting containing the names of all candidates duly nominated for Governors.

6. The Board of Governors shall annually, not later than the second Monday after the annual Club meeting, elect from its members by individual ballot (and may at any time remove and replace) four officers: a President, a Vice-President, a Treasurer, and a Secretary. The Board shall also elect (subject to removal in like manner), (1) a Chairman of the House Committee, and (2) three members of the Board who shall constitute a Committee on Admissions. If any of said offices becomes vacant such vacancy shall be filled by the Board.

7. The Board of Governors shall, from time to time, make rules and regulations for the guidance of members on matters not herein determined, which rules shall be posted on the bulletin board, or otherwise communicated to the Club.

102—1940

8. The interpretation of the Constitution and By-Laws shall rest with the Board of Governors.

ARTICLE V

OFFICERS

The officers shall have the duties usually appertaining to such offices.

ARTICLE VI

COMMITTEES

1. The House Committee shall make all purchases of articles used in the Club, and in general transact its current business and regulate its internal economy, subject to such general rules as may be imposed by the Board of Governors. The Treasurer shall be, ex officio, a member of the House Committee.

2. The Committee on Admissions shall consider the eligibility of all candidates for admission and report thereon to the Board with its recommendations for such action as the Board may decide to take.

ARTICLE VII

ADMISSIONS AND SUSPENSIONS

1. Every candidate for admission into the Club must be recommended in writing by two members, under their signatures, to the Board of Governors. The application shall then be submitted to the Committee on Admissions which shall immediately consider the eligibility of the applicant and report thereon to the Board for consideration. The Board may cause the name and residence of the applicant, with the names of proposers, to be posted in the Club House for ten days before balloting. Two black balls shall be sufficient to exclude any candidate.

2. Every person thus elected must, within thirty days after being informed of his election by the Secretary, pay to the Treasurer his admission fee and quarterly dues; and he shall

103—1940

then, and not until then, be entitled to the privileges of the Club House and become a member of the Club. The Board of Governors has a right to extend, by two-thirds vote, the time for the payment of such admission fee and dues.

3. The Board may at any regular meeting create any classes of membership or extend the privileges of the Club to any person, and shall fix from time to time the amount of initiation fee and dues to be paid by any class of members, or any class of persons to whom the privileges of the Club are extended.

4. Any member shall forfeit his membership in the Club whose conduct shall be pronounced, by a vote of two-thirds of the full Board of Governors, to have endangered, or to be likely to endanger, the welfare, interest or character of the Club.

At any time within ninety days after such forfeiture a meeting of the Club shall be called, if requested in writing by twelve members, addressed to the Secretary, at which meeting an appeal may be taken from the decision of the Board of Governors, and the member may be restored by a two-thirds vote of the members present. No vote shall be taken upon a proposed forfeiture of membership until ten days' notice shall have been given to the member in question.

All voting shall be by ballot.

ARTICLE VIII

MEETINGS

1. The members of the Club shall hold an annual meeting on the third Thursday in February in each year at eight o'clock P. M. at the Club House, at which meeting the Club shall ballot for and elect the Governors in place of those whose terms are next to expire.

2. The Board of Governors, of its own motion, may, and upon the written request of twelve members must, call special meetings of the Club, at any time; and ten days'

104—1940

notice, in writing, stating the object of such meeting, shall be mailed to each member. Fifteen members shall constitute a quorum at any regular or special meeting of the Club.

ARTICLE IX

INTRODUCTIONS

1. Any member may introduce persons not members, residing ten miles or more from the City Hall, to all parts of the Club House, and such persons so introduced may enjoy the privileges of the Club for one week and no longer, except as provided in the following section.
2. The House Committee or the President may at the request of any member issue written invitations to strangers residing as aforesaid for a period of thirty days, and may renew the same at discretion. Any member who may avail himself of the privileges of this or the preceding section shall be held responsible for the payment of all debts or liabilities to the Club that may be incurred by any person introduced by him.

ARTICLE X

AMENDMENT

This Constitution may be amended at any meeting of the Club, annual or special, by a vote of two-thirds of the members present, provided that notice of the proposed amendment shall have been posted in the Club House at least fifteen (15) days, and sent to the members at least ten (10) days before such meeting, and it shall be the duty of the Secretary to send a notice of such meeting with the proposed amendment to the members when the Board shall so direct, or fifteen (15) members of the Club shall so request in writing. An amendment duly presented for consideration and action at any meeting of the Club may then be amended in any manner ruled by the Chair to be germane to the purpose of the amendment as proposed and duly noticed, but not otherwise.
