**Request to Change Date of March Board Meeting (Uttaro)**

We are requesting to change the date of the March MCLS Board meeting from March 23 to March 16 to accommodate e-rate filing which must be completed by March 24. Meeting on March 23 will not give the Finance Office enough time to finalize e-rate application plans and submit on time. The e-rate plan will be an action item on the March agenda.

**Board Action Requested:** Move the MCLS Board meeting from March 23, 2020 to March 16, 2020.
