SUMMER READING PROGRAMS 2021
at your local library!

Free programs for children and teens at libraries
in the Monroe County Library System

Monroe County Library System
www.libraryweb.org
Sign up for Summer Reading at your local library, and enjoy the many FREE programs available for children and families!

When children read what they enjoy, they learn to love reading and become better readers.

The free summer programs at your public library will help your child to keep reading and have fun all summer long!

Teen programs start on page 8.

For more information on how you can help your children find books they will love, ask a children’s or young adult librarian!

Sign up for our library card for Young Explorers today!

For the safety of everyone attending, we ask that all attendees maintain 6 feet of social distancing indoors and outdoors, and masks are required by all individuals over the age of 2.

Here is a sample of the summer fun at your Monroe County Libraries. Check your local library for a complete listing of programs.
