

MCLS Executive Committee Report

A few months ago, we talked at our MCLS Board Meeting about doing individual Trustee/Board evaluations. At that time Patty Uttaro indicated the idea should be sent to the Executive Committee for consideration/discussion and implementation if desired.

On 3/21/2022 I sent an email to the members of the MCLS Executive Committee to begin the process with some sample evaluation forms for review and comment, asking for a reply/comments/thoughts by April 12.

The Committee will continue to evaluate and discuss this process over the next few months and will report to the MCLS Board with a recommendation.
