"THE SERVANT IN THE HOUSE"

implies certain obligations on the part of those whom the servant serves, not the least of which is the obligation to husband the servant's physical and mental strength.

Who hasn't from time to time observed the evidence of almost complete physical and mental exhaustion manifested by conscientious servants who have spent the live-long day trying to turn out a satisfactory ironing with the old-fashioned sad iron?

NOW LISTEN A MOMENT

If you had an iron to which heat could be constantly supplied at the iron-board as fast as transmitted to the work, thus doing away with the necessity for extraordinary pressure and the trips to the stove, isn't it perfectly obvious that such an iron would conserve your servants' physical and mental strength to such an extent that life to her would be sweeter and more worth the living?

SUCH AN IRON IS THE ELECTRIC GLAD IRON

PREFACE

THE seventh issue of the ROCHESTER BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the BLUE BOOK as nearly perfect as it is possible to make such a volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of the most prominent householders and residents published in the most convenient form for reference by our lady patrons.

The title "BLUE BOOK," is given the work because of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book—a book containing a list of fashionable addresses."

Please send any information you may have that will aid in keeping the records correct to Dau Publishing Co., 40 West 33d Street, New York City.

Baker Electrics

Famous Folk Favor The Baker

THE Baker Electric is universally recognized as the highest development of the electric vehicle. That's why people of rank and title, abroad and at home, unhesitatingly choose the Baker.

FIRST AID TO CLEAN LIVING

*"As essential as a bathroom or a kitchen sink."
"The best disease preventive I ever saw."
"It removes all the fine dust."
"The greatest labor-saving device in the house."*

These are quotations from a few of the more than two thousand home-owners who have equipped their houses, during the past year, with the

TUEC STATIONARY Air Cleaning System

The TUEC actually makes the house germlessly clean. It not only removes all the dirt and fine dust, carrying it through pipes to an air-tight vessel in the cellar, but it removes all the stale, microbe-laden air, and exhausts it outside the building.

A touch at an electric button is all the effort required.

The TUEC has the endorsement of physicians because of its sanitary value—architects approve it because of its simplicity, efficiency and scientific construction—owners of public buildings and private homes are enthusiastic over its convenience, dependability and extremely moderate price.

The TUEC can be installed in any building, old or new, whether wired for electricity or not.

A Woman's High Class Specialty Shop

We do not pretend to cater to the multitude. But rather to that increasing class of women who demand something more than the average in the style and quality of their garments as well as in the service. Through frequent visits to the New York market we keep constantly informed of the latest style changes and are therefore able to speak with authority on them. When a style has passed the experimental stage one is reasonably certain to find it in our stocks. Experienced saleswomen in every department will make your shopping easy and pleasant.

You Would be Comfortable
on One
Layer
of an
Ostermoor
Mattress

But there are *seven* more, carefully laid by hand—*built*, not stuffed. They make a mattress which can never grow hard, lumpy or saggy. It is as comfortable as a new, high-priced hair mattress, and has ever so many advantages over it. No decaying animal hair, inviting disease germs and affording a haven for vermin. Absolutely sanitary and non-absorbent. Also dust, germ and vermin-proof. You can scrub the ticking as often as you desire. The inside never needs remaking. An occasional sun-bath keeps it always soft and springy.

Send Postal for Our Free 144-Page Book and Samples of Ticking

30 NIGHTS' FREE TRIAL. You may sleep on an Ostermoor for a month and, if not *thoroughly* satisfied, have your money back without question. Full particulars in our beautifully illustrated 144-page book—sent free with samples of ticking on request.

WE SELL BY MAIL OR THROUGH
2,500 OSTERMOOR DEALERS

Exclusive Ostermoor agencies everywhere—that is our aim; the highest grade merchant in every place. The Ostermoor dealer in your vicinity—be sure to ask *us* who he is—will show you a mattress with the "Ostermoor" name and trade mark sewn *on the end*. Mattress shipped, express paid by us, same day check is received, if you order of us by mail.
