**THREE THINGS
WORTH WHILE**

*To the home wired for electricity, three things
that help make life worth while living are available*

1st.—THE GLAD IRON with its concentrated heat which can be controlled perfectly by the user without leaving the ironing board. The heat being practically confined to the face of the iron, the room does not become insufferably hot. The heat being constant, there is no need of those tiresome, temper-trying trips from ironing board to stove. GLAD IRONS \$3.50 to \$4.75, according to weight.

2d.—THE ELECTRIC COFFEE PERCOLATOR wherein coffee—delightful, delectable coffee—may be brewed. The highest priced coffee, when brewed according to old-time methods, suffers by comparison with lower-priced coffees brewed in the electric percolator. PERCOLATORS \$4.75 and up.

3d.—THE ELECTRIC TOASTER—The very name suggests the toothsome, golden brown, pithy product, so difficult to produce by other means, but so easy to produce with an electric TOASTER. ELECTRIC TOASTER \$3.75.

Preface

THE ninth issue of the ROCHESTER BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the BLUE BOOK as nearly perfect as it is possible to make such a volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of the most prominent householders and residents published in the most convenient form for reference by our lady patrons.

The title "BLUE BOOK," is given the work because of its blue cover. It does not refer to blue blood as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book—a book containing a list of fashionable addresses."

Please send any information you may have that will aid in keeping the records correct to Dau's Blue Books, Inc., 74 West 50th Street, New York City.

And Now Comes The Conservatory - Living Room

It is the result of a determination of flower lovers to more thoroughly and continually enjoy their plant friends. In it you can have the comforts of your living room and enjoy yourself and your friends amid luxuriantly thriving plant life. It is bringing nature indoors and "getting back to it;" which is, you will agree, quite the right idea.

You can well imagine the delightfulness of this sunshiny spot with its homey comforts and opportunity for numerous

plants and flowers. Think of its joys when all outside is frozen tight and every ray of Old Sol's warmth and cheeriness is at a premium.

Think of its charm as a cozy retreat, or a delightful place in which to serve tea to your friends, or smoke the after-dinner cigar. Shall we build one for you?

Send for our Two G's Booklet, or "Glass Gardens, a Peep Into Their Delights," representing our 50 years of building Greenhouses.
